

MARATHON VARSITY FIELD HOCKEY TEAM, NEW YORK STATE CHAMPIONS

**HON. SHERWOOD BOEHLERT**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 28, 2004*

Mr. BOEHLERT. Mr. Speaker, I would like to take this opportunity to congratulate the Marathon Varsity Field Hockey Team for their outstanding performance this season. Winning the State Championship will remain a vivid moment of victory of each one of the team's members—for without their collective talent and dedication—it would not have been possible.

The long list of season accomplishments is truly something to take pride in. Breaking the state record with 68 consecutive wins, making the lady Olympians third in the nation with such an amazing winning streak, brings pride not only to Marathon but brings pride to the entire state of New York.

Head Coach Karen Funk deserves special praise for leading this fine group of student athletes to the highest possible achievement in the New York State Class C conference. Through Coach Funk's leadership these young ladies have proven that hard work and dedication on the practice field and in the classroom can produce champions on the playing field and in academics.

IN HONOR OF CALIFORNIA STATE SENATOR BYRON D. SHER

**HON. ANNA G. ESHOO**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, January 28, 2004*

Ms. ESHOO. Mr. Speaker, I rise to honor California State Senator Byron Sher, the most highly regarded environmental legislator in California, who will be retiring this year after representing San Mateo and Santa Clara Counties in the California State Legislature for nearly a quarter century. Senator Sher will be honored on Friday, January 30, 2004 by the San Mateo County Democratic Party for his extraordinary public service.

Senator Sher began his public service in 1965 when he was elected to the Palo Alto City Council where he served for nine years, including two terms as Mayor. He was a Commissioner of the San Francisco Bay Conservation and Development Commission from 1978 to 1980, and served on the Committee on Environmental Quality for the National League of Cities and the League of California Cities. His work on these bodies would serve him exceedingly well in years to come.

Byron Sher was elected to the California State Assembly in November, 1980, where he served with distinction as a leader on environmental policy for over fifteen years. He was then elected to the Senate in 1996 in a special election to represent the 11th District, which is geographically and culturally diverse, spanning from Belmont to San Jose, and which includes major portions of the South San Francisco Bay and the San Mateo County Coast.

Throughout Senator Sher's legislative career, he has been regarded as the premier legislator on environmental issues. He is not only the first Chairman of the Senate Environmental Quality Committee, he is also the author of countless benchmark laws that have led the State of California to enact some of the most significant environmental protection policies in our Nation. Among the laws he has authored are the California Clean Air Act, the Integrated Waste Management Act, and the Safe Drinking Water Act. He has strengthened the State's timber regulations with his Surface

Mining and Reclamation Act and been at the forefront of computer recycling programs to ensure that the dangerous byproducts of the information age, such as mercury, don't contaminate our landfills and water supplies. Senator Sher also authored the Nation's first law to prevent toxic contamination of water supplies from leaking underground storage tanks. Virtually all his legislation is considered the gold standard for environmental conservation and protection laws throughout our country.

Senator Sher is also considered one of the foremost experts on consumer protection and government ethics. He has consistently been ranked one of the State's top ten legislators for intelligence and integrity by the California Journal Magazine. Despite the many demands on his time, Senator Sher continues to serve as a member of the Steering Committee of the National Council on Competition and Electric Services, as a California Commissioner on the National Conference of Commissioners on Uniform State Laws, and as a member of the Wildlife Conservation Board.

Byron Sher has also been an important part of the academic community. He was a Fulbright Research Scholar in New Zealand and held academic teaching positions in law at Southern Methodist University, the University of Southern California and Harvard Law School before coming to Stanford University. At Stanford, Senator Sher's passion for the rights of his fellow citizens could be seen in the coursework he taught as a professor of law: Consumer credit, consumer protection, as well as contract and commercial law. At Stanford he's been Chairman of the Human Relations Commission and the Faculty Senate, and was a member of the University Budget Priorities Advisory Commission.

Mr. Speaker, I'm proud to call Byron Sher my friend and my colleague in public service. This quiet, humble, decent and brilliant man is a source of great pride to the Democratic Party, to our mutual constituents, to all Californians and to our entire Nation. I ask my colleagues to join me in honoring and thanking Senator Sher for his lifetime of extraordinary service to California and our country. Because of him and his distinguished service, we are unmistakably a stronger and a better Nation.
